Important Notes

Please note, it is always wise to talk to a lawyer before proceeding in a court case on your own. [Please read our important warning.](#)

Find the **Live Chat** link in the bottom left-hand corner of this page **if you cannot locate a form, or have a question about the forms.** Please note: **Live**

Chat does not provide legal advice and cannot tell you what answers to put on the forms.

Can't see the button? Enable pop-ups and update your browser then try again!

If you have questions about the forms when using the interactive interview, or you can't find the form you're looking for, you can use our **LIVE CHAT** option.

Just click on the icon in the bottom left-hand corner of this page. Live Chat is generally available Monday through Friday from 8:30 a.m. to 4:30 p.m. You can leave a message if **Live Chat** is not available. You will receive a reply by email within two business days.

Using These Forms

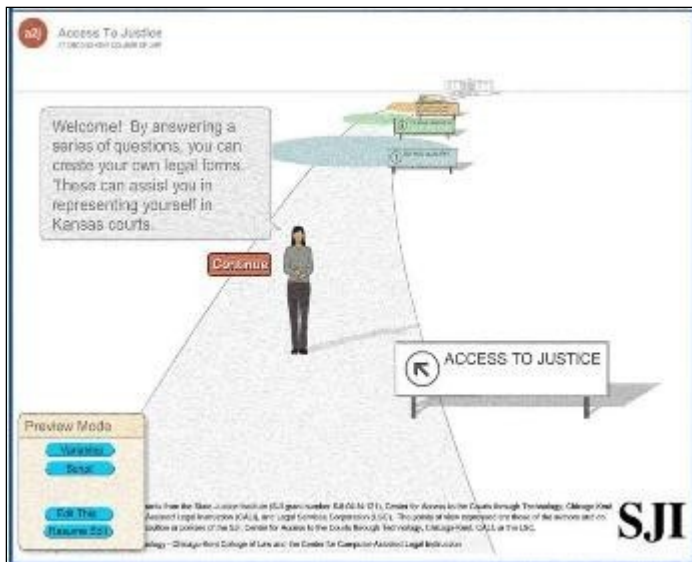

WORD PROCESSING PROGRAM:

- The interactive court forms download for printing in Rich Text Format (.rtf), which can be opened in any word processing program, such as Microsoft Word.
- Make sure your computer chooses a word processing program to download the documents or you may get errors or "gibberish."

NOTE TO USERS OF CHROME and FIREFOX:

- The backspace button does not work to delete or modify answers in these interactive interviews.
- You must use arrows or your mouse to highlight the information you need to change. Then use the delete key to remove letters, before you can change information. This problem is not experienced in Explorer.
